May 4th – 6th: It's that time of year where Otto's Oasis is making preparations for our annual Spring Celebration. This year isn't too different, but we are adding a little Mexican twist with Cinco de Mayo. Our open house starts Friday, May 4th, with various sales throughout the store along with a special drawing to participate in one of our upcoming classes for FREE!

Saturday, May 5th:

- Industry expert Chuck Meyer, from Bailey's Nursery, will be available to visit with customers and assist in selecting nursery items
- Stop in between 10am and 2pm for nachos with our own Bald Eagle salsa and, of course, Margaritas! There will also be punch and popcorn served all day.
- Riddle Me This, an in-store scavenger hunt, will lead customers around the store to find clues hidden amongst our fabulous products. All completed entries will be included in a Grand Prize drawing and the winner from this drawing will be announced Monday after the event.
