

September 2017

Happy Fall! Prepare for the cooler temps with our new ponchos, vests, and leggings- available in a variety of colors, designs, and sizes. You can always accessorize your new look with our ever-popular GingerSnaps jewelry or one of our new purses. Looking for something yummy to gift?

Have you thought about a bouquet, basket, or gift bag of our delectable Abdallah chocolates? We are freshly stocked and ready to sweeten up any occasion! If savory is more to your taste, try our Bald Eagle Foods Salsas and Sauces (which we can also put together in a delicious assortment for the perfect gift). Let us be your go-to for the autumn gift season.

## Mums Are Here!!

Brighten up your fall scenery with our garden mums, available in a vast range of colors. These fall favorites enhance any area with blazing colored blossoms. Treat garden mums like annuals, use them to decorate porches and planting beds for a short growing season. Few plants bring on the autumn color like these pretty bloomers!

Sadly, what garden mums often fail to deliver is winter survival. If you're a gardener who has tucked fall garden mums into planting beds only to have them perish, you're not alone. If you are wanting to make mums a perennial part of your landscape, we have a special variety for you! Check out our beautiful selection of mums now!

## Quick Tips of the Month!

**Greenhouse:** Annuals starting to pout? Don't forget to give them some fertilizer periodically throughout the week - we recommend our Blooming & Rooting Fertilizer. This will give them that extra boost to last the rest of the season. Tired of the spring annuals? Stop on in and get your flowering mums for the fall!

**Lanscaping:** Be sure to set up a landscape consultation with Jeff to discuss your landscape needs. Get on our landscape schedule and plan ahead for those 2018 graduation parties!
